# Support our community events

## Community Christmas events

Bringing people together is at the heart of what Shoreditch Trust does, and we believe this is particularly important at times where people can feel especially lonely or isolated. Our Christmas Community events provide a space for people to get together and socialise in over the festive period.

## Elders' Christmas Feast

Shoreditch Trust hosts a range of events for the older members of our community throughout the year. Our Christmas event is the highlight of the social calendar, with our guests enjoying a traditional Christmas feast prepared by our Blue Marble Trainees, musical entertainment, raffles, games and dancing!

To support these events, please contact Georgia: 020 7033 8531 | [georgia@shoreditchtrust.org.uk](mailto:georgia@shoreditchtrust.org.uk)
