

Situated on London's Regent's Canal, just above Shoreditch Trust's Waterhouse Restaurant, the Conference Centre is perfect for networking events, launches, board meetings, and receptions. All surplus income from the hire of the space go towards supporting the multi-purpose charitable work of Shoreditch Trust.

With lots of natural light, the centre has a large break-out area, WiFi, AV equipment and comfort cooling. There is also a smaller conference room for break-out groups. Catering is available from the restaurant below, featuring canal-side views. Waterhouse Conference Centre is part of Shoreditch Trust's enterprise portfolio.
